Prym – attention to detail

Prym Consumer is the global leader in the supply of sewing accessories, creative handicraft articles and fashionable accessories. A German family-owned company, our success is based upon almost 500 years of tradition with values which constantly shape our approach to business.

Prym is one of the principal leaders in the world market and as a global player serves the most varied markets. The combination of networked production sites and central quality management is considered a world-wide guarantee for the quality of our product ranges.

A central value for us involves having the highest degree of customer focus. This is supported by a constant dialogue with our customers. We identify the requirements and expectations of tomorrow at a very early stage, we understand them and implement solutions for them via our innovative products. With a great deal of passion and huge attention to detail our products will retain their unrivalled reputation and will become indispensable for sewing and handicrafts everywhere in the world.

At our very core: a mutual respect for one another. In dealing with customers, employees, the company and shareholders we emphasize high esteem, trust and partnership.

Prym – the strong partner for your success

The Prym product range

At Prym you will benefit from an assortment with more than 40,000 articles and five strong brands. From universal products to specialist tools, our products convince and will cover the multi-faceted wishes our customers have.

Innovation

The development of groundbreaking ideas for creative sewing, handicrafts and design has always been one of our core competencies. Numerous customer-oriented product innovations each year and the continuous improvement of our product ranges underscore a commitment to user friendliness.

Sustainability

Handicraft is inextricably linked to a sustainable, ecological way of life. We are committed to an economical use of available resources and the use of environmentally-viable production processes. While several of our product ranges are already available in plastic-free packaging, we are continually working towards avoiding the use of plastic in our assortment.

Service and advertising

From POS shop-fitting to imaginative sales support: Discover a wide range of possibilities for the professional presentation and marketing of your products with Prym. Diverse advertising activities inspire potential customers and encourage them to purchase handicraft products.

Consultancy

Consistently customer focussed: Our in-house and external sales staff offer you a custom-made product and range consultancy service and are readily available to respond to enquiries about the use and function of our products.

The new prym.box 2022

The prym.box

The prym.box is presented in a new, attention-grabbing design. Clearly sorted by category, the ten sector catalogues are always ready to hand with easily accessible information.

The Strip

Also new: the stripe. The clear display of the individual products excites interest and offers product features and important information at a glance.

The Card

The most frequently-used sales unit is our self-service card. The modern graphic is self-explanatory and encourages spontaneous purchases. Clear product descriptions and instructional photos make the respective intended purposes immediately clear.

Price group and EAN code

All packages are marked with the respective price group. This allows an easy organisation of prices. The EAN coding facilitates a rapid and complete overview and disposition for computer-controlled inventory systems.

Sustainable packaging design

Our aim is to significantly reduce the proportion of plastic in Prym packaging, for the purpose of consistently increasing the proportion of sustainable packaging materials. The change to plastic-free packaging has already been made for many articles and other products will be gradually converted to sustainable packaging without plastic.

Web site

The Prym B2B Shop www.b2b.prym.com makes it possible to order the desired articles quickly and easily. All our products can be digitally ordered – by scanning the QR codes on each catalogue you arrive automatically at the correct online heading.

Discover the wonderful world of buttons!

Our products: classic buttons, sustainable buttons, fashion buttons, children's buttons, products for traditional folklore costumes and suit buttons

Under the "Union Knopf by Prym" brand we offer a comprehensive range of fashionable, exclusive buttons.

As well as buttons made of metal, polyester or from natural materials, we cover many other segments. This means that, as well as traditional folklore costume buttons, you will find cute children's buttons and buttons made from sustainable materials in line with the spirit of our times.

Fall in love with our fasteners!

Our products: classic buttons, sustainable buttons, fashion buttons, children's buttons, products for traditional folklore costumes and suit buttons

There is no end to the possible uses of fasteners and closures. Our wide range of products rises to every challenge.

Whether for bags, belts or outerwear – we have the right fastener for you.

Be inspired by our tapes, ribbons and trimmings!

Our products: Fashionable ribbons, elastic tapes, woven tapes, straps and lace

Whether for clothing, hobbies or decoration, ribbons, tapes and trimmings are simply indispensable, because they link, secure, finish or enhance.

Under the "Union Knopf by Prym" brand you will find a wide spectrum of standardized, fashionable, expressive and functional ribbons, tapes and trimmings for every requirement.

Benefit from the connective strength of our elastics and functional tapes, test the hard-wearing qualities of our straps and woven tapes and set your individual seal on your craft work with our fur braids and sequined ribbons.

"Union Knopf by Prym" stands for the design and production of fashionable buttons, ribbons and clothing accessories. The versatile product range has always been based on current fashion and colour trends and offers the specialist dealer quality, competence and know-how. Take a look and be inspired!
